and Recognized by Indian Nursing Council  
and State Council

# PROSPECTUS

## COLLEGE ANTHEM

From this our land, and far across the ocean,  
Our voices raise and sing in praise of thee  
What you gave to us, may we give to others  
Lighted to lighten bravely on we go  
God be with us, our mighty God protect us  
His light shine on us it's our fervent prayer  
  
To raise my mind, high above life's trifles  
Surrender my strength, my hands my feet, my all  
Sharing my life to alleviate the suffering  
Lighted to lighten bravely on we go  
All through the day right from the break of morning  
Your light shine on us guide our weary steps  
  
With a song in our hearts, we shall go on our way  
Imparting your touch as soft as silence  
To those in despair our words, shall bring sweet solace  
Lighted to lighten in service forth we go  
In this shattered world broken in countless fragments,  
We pledge our service, bringing hope to all.

### 1. A Glimpse at our past

The Society of the Sisters of Charity of Secunderabad Province is a Registered Society under the Public Registration Act, in the year 1963. It serves the States of A.P and Telangana through a number of Schools, Colleges, Hospitals and Health Centers. The service in the Health Sector began with the arrival of three Italian sisters to King George Memorial Hospital (present Gandhi Hospital), Secunderabad in 1915.

Vijay Marie Hospital had a humble beginning in the midst of Chintal Basthi Slums in the year 1948. To day, it has grown into a 250 bedded General Hospital, catering to all the sections of society, especially the poor.

VIJAY MARIE SCHOOL OF NURSING was established in the year 1973. Over the past 40 years, it has proved to be one of the best schools of Nursing in A.P. & Telangana, maintaining high professional standards and providing all-round development to the students.

To cope with the rapid advancement in Health Sciences and to meet the demands of the society, the Management took the initiative to start the COLLEGE OF NURSING and today, it has become a reality. We have obtained approval of the Government of A.P., Indian Nursing Council, New Delhi and A.P., Nursing Council and affiliation to Dr.N.T.R.University of Health Sciences, Vijayawada. With gratitude in our hearts to God who is the author of all good works and to all those who have helped and encouraged us in this endeavor, we had the grace to start the B.Sc (N) for the academic year 2003-2004. With due permission from our Generalate, Milan, Italy, the management took further step in starting M.Sc (N) from 2013. With blessings from the Almighty God, the College went through the process of many inspection by INC, State Nursing Council and NTR University of Health Sciences and obtained the necessary permission to begin the M.Sc (N) course from the academic year 2013-2014.

**As a teaching hospital, we have three P.G. programmes for Doctors**

- 1. Masters in "Family Medicine" in collaboration with C.M.C., Vellore**
- 2. "Fellowship programme in Neonatology in collaboration with Fernandes Hospital from 2010.**
- 3. DNB (OBG) from 2012.**

## II. Philosophy of the College of Nursing

- 1. The educators of Vijay Marie College of Nursing and the management of the Society of the Sister of Charity, Province of Secunderabad, believe that the education offered in this institution should enable the students to serve the sick with a tender and compassionate heart, following the foot steps of Christ the Redeemer.**
- 2. We believe in providing nursing education based and built on scientific principles and sound educational theory and practice, in order to prepare professionally qualified nurses, who will be able to give comprehensive nursing care and function as team members in all health care spheres.**
- 3. The College of Nursing professes the motto "Lighted to Lighten". Being enlightened with Divine inspiration and scientific knowledge, we go forth to lighten the burden of human kind and kindle the flame of love and knowledge and dispel the darkness of ignorance.**
- 4. We uphold and instill respect for life and the human dignity of a person from conception to death.**
- 5. We believe in promoting all round development of students with a special emphasis on spiritual, moral, intellectual, cultural, social and psychological aspects needed for a professional nurse, who will uphold high professional standards and will contribute effectively to the nation and the world at large.**

## III. Objectives

- 1. To acquire knowledge of theory and principles of nursing and allied subjects which are involved in the delivery of comprehensive nursing practice.**
- 2. To develop skill in applying scientific principles and knowledge in rendering health services in the hospital and community.**
- 3. To assess the client's needs, plan, implement and evaluate nursing care given.**
- 4. To participate as members of the health team in the promotive preventive, curative and rehabilitative health care delivery system of the society.**
